

# COVID-19 Testing @Phillips Neighborhood

Minnesota Department of Health recommends that everyone that attended events with large crowds must get tested. IHB and the Native American Community Clinic (NACC) have joined efforts to increase testing to take care of our Native American community.

Schedule a COVID-19 test, **call one of our clinics:**

IHB appointments      NACC appointments  
**612.721.9800**      **612.872.8086**

A provider will contact you for an initial telehealth visit. When you are scheduled for on-site testing, please follow the instructions for driving or walking up to the IHB clinic garage.

## What you should know about the COVID-19 test and results

- Testing follows CDC safety guidelines
- Telehealth visits are daily and testing Tuesday and Thursday
- Test site is at 1315 E 24th Street, Minneapolis 55404
- Results may become available up to 24-48 hours

Your provider will review the results with you by phone or video call. If you want more information you can call either clinics!
