

On the road of

at the Indian Health Board

We offer Medication Assisted Treatment (MAT) for
opioid use disorders – including **Suboxone**

Ask for information and make an appointment

Call 612.721.9819

We care for everyone seeking help and support!
We even offer transportation.

We welcome all people from all backgrounds, while also
providing culturally aware care for American Indian and
Alaska Native community members. If you have no
access to insurance or are undocumented, you will not
be turned away from receiving care.
